Introduction

Brief History

The Gujarat University has completed 67 years in providing higher education. This was established in the year 1949. During journey of 67 years this university has started various courses in Science, Social Science, Management, Medical branches. Along with these courses Master of Physical Education course was started in the year 1986. This is first center for master degree course in physical education in Gujarat State. U.G.C. had made mandatory for all college physical education teachers to have master degree in physical education and to meet this requirement our university had taken initiative to launch this course. In the initial stage of this course the experts from across the country were invited and requested to frame the syllabus of this course.

Teacher those who were working with different colleges for them special summer courses & training programme were organized during vacations to upgrade their knowledge in the area of physical education. The past students of this course are serving in the various universities, colleges, schools and recognized institutions across the country. This department is always in search of opportunity to organize seminars in the concerned areas of physical education. On availability of opportunities it is a practice to organize such seminars with the association of Academic Staff College refresher courses in physical education are also organized

Present Scenario

The present regular master degree programme in Physical Education is being provided this two years (Faculty of Arts) programme is divided into four semesters In each year sixteen theoretical papers are being taught. Along with this in the first year of programme semester I and III students are taught practical skill proficiency in games (any one) , officiating in major games (any one) skills proficiency-athletics, officiating – athletics. In the second year of programme practical coaching lessons – games, athletics performance, coaching lessons-athletics, yoga practical are also being taught.
