Concept Note:

Ours can be the first generation to end poverty and the last generation to address climate change before it is too late.

*- Ban – Ki – Moon
(Former Secretary General, UN)*

Agenda 2030: Agenda for 2030 transforming the world through 17 sustainable development goals integrating the three dimensions of sustainable development – economic, social and environment was adopted on 25th September, 2015. The sustainable development goals are otherwise known as global goals are a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity. The SDGs are integrated and indivisible in nature which are directed towards a better transformed world by 2030.

India played a major role in formulation of SDGs and much of India’s National Development Agenda is mirrored in the SDGs. Since the SDGs is to be achieved for a better world, India has taken many initiatives to attain the targets in a holistic way. Hence, the time has come to evaluate the India’s response in implementing SDGs through its various policies and legal regulation.

The SDGs have strong relevance to Universities and Higher Education Institutions, as education and research are explicitly recognized in a number of SDGs.

Keeping this in mind the Centre of Excellence, University School of Law, Gujarat University has chosen the following SDGs to discuss in detail their implementation by the Government of India.

SDGs: No Poverty, Zero Hunger, Quality Education, Gender Equality, Clean Water and Sanitation, and Climate Action

Since, 2017, Centre of Excellence is celebrating World Ozone Day to create awareness about issues and concerns for environment in general and climate change in particular. This year too the Centre of Excellence is celebrating the World Ozone Day.

The participants are requested to present their paper on Agenda 2030 and Role of United Nation and India's response through policies and legal regulation on the following SDGs.

- **SDG 1: No Poverty**
- **SDG 2: Zero Hunger**
- **SDG 4: Quality Education**
- **SDG 5: Gender Equality**
- **SDG 6: Clean Water and Sanitation**
- **SDG 13: Climate Action**
- **Ozone and its legal regulation.**
