It is better to wear out than to rust out.
It is more important to know where you are going than to get here quickly. Never mistake activity for achievement.
Knowledge helps you make living; wisdom helps you make a life.
Lazy people have no spare time.
Leaders are not born. Leaders are made and they are made by efforts and hard work.
Learn from the mistakes of others. You can’t live long enough to make them all yourself.

Reading makes a full man, conference a ready man, and writing an exact man.
Rudeness is the weak man's imitation of strength.
Search light amidst darkness, hope amidst disappointment; life amidst death.
Silence is one of the great arts of conversation.
Sincerity is the most difficult thing to have and the most needful.
Situations themselves do not cause STRESS......!! Your reactions DO.....!!

Some men dream of worthy accomplishments, while others stay awake and do them.
Success does not come to you. You go to it.
Success is a matter of choice, not a matter of chance.
The aim of education is to develop human faculties of man and make him a man different from animals.
